*** I understand and acknowledge that I can only skip a payment once in a calendar year. This payment will be added to the end of my note and interest will continue to accrue on the unpaid balance and may extend the maturity date of my loan. All terms and conditions of loan still apply. I also understand that the extension of the note may not be covered by insurance products such as Payment Credit Insurance and Guaranteed Asset Protection coverage. To qualify for a Skip Payment, a minimum of three monthly payments must have been paid on the loan selected. The account must be in good standing, no late or missed payments. Skip payments are excluded on Mortgage, Land, Home Equity, Line of Credit Loans, Share Secured Loans, Back to School/Spring Break/Vacation/Christmas Loans, Repayment Plan and Fresh Start Loans. Skip form must be submitted at least 14 days before your payment is due. Other restrictions may apply***
